Subject

Recommending the increase of the grant in aid of the English School at Sravana Belagola from Rs 20 to 30 with effect from 1st April 1902.

Please kindly orders as follows

The school serves the purpose of a planning cum training school for the Hobli and has got a well kept garden and class as thereto attendance standard yes. Since the recommendation of the Head Master contains full information about the above points I will only observe that the additional grant asked for, which is quite reasonable, amounts to a small cost to Govt of Rs 40 for the remaining months. I therefore recommend the cost for the above remaining months of the current year (start to end) being debited to Education Charges in the Village School Fund Budget of the Mysore Division.
